

“Meet us at EPTECH.”

We'll be at the EPTECH SHOW
in Waterloo on October 4.

EPTECH is a unique tradeshow that brings together members of Canada's electronics industry and links them to the latest products, services and technology in a hands on, face-to-face environment...we look forward to seeing you there.

EPTECH provides you with a one-stop opportunity to find the electronic products and services you're looking for and the opportunity to speak with experts directly to discuss your unique requirements and discover potential solutions.
